

# The Preposition Song

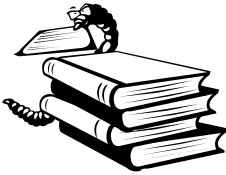

[To the tune of “Yankee Doodle”]

About, above, across, after, against, along, among, around,  
At, before, behind, below, beneath, beside, between, beyond.

By, concerning, down, during, except, for, from, in, into, near.  
Of, off, on, over, since, through, to, toward, under, until, up, upon.

With, within, without, like, past, aboard, amid, throughout  
Underneath, unto, onto, and these are prepositions.

Now you sing my song with me, and you will learn these words  
That help writers tell the relationship between the groups of words.

The worm rested **beside** the books.  
The worm wiggled **underneath** the books.  
The worm crawled **inside** a book.  
The worm slithered **through** the books.
